Sonoma's Patriotism is Demonstrated

Citizens Defense League Meeting Stirs Hearts of Large Audience

Sonoma Valley demonstrated its patriotism Tuesday night when in answer to the call of the local Defense League a large and enthusiastic audience greeted the speakers who read and expounded the inspiring message of President Wilson, the notable Proclamation, Red Cross reports and resolutions of the local patriotic organization under whose auspices this meeting was held. President Frank Sprague was untiring in his efforts to make the meeting a signal success and it was in every particular.

With the street lights illuminating the city and bugle call summoning the patriotic citizenry to Union Hall, the demonstration was most inspiring. On the rostrum decorated in the national colors were the chairmen of the evening, Messrs. Sprague, Poppe, Duhring. J. Wagnon, W. Clements, R. E. Perkins, James Baines, J. F. Prestwood, Robt. Hill, Landers Stevens and M. H. Rowell A medley of patriotic airs was played by Miss Emilie Poppe as the vice presidents came on the stage. After explaining the purpose of the meeting, Chairman Sprague introduced Landers Stevens, the talented actor and dramatist who came down from his country home at Boyes Springs to read the President's message and he read it with rare intelligence and interpretation unmistakable. After the heart-stirring eloquence of those closing lines of the message, "God granting we can do no other," there was prolonged applause.

Jesse F. Prestwood then gave the Proclamation and the contents of the strong document was brought home to the assembly with visible effect and roundly applauded.

The Star Spangled Banner with piano and cornet accompaniment was sung by the entire audience.

Red Cross work and the formation of the local auxiliary was the contents of a report read by Colonel Poppe. M. H. Rowell spoke on the economic side of the present crises and F. T. Duhring on the local formation of the Citizens League of Defense.

The singing of the national anthem brought this notable meeting to a close.

GALA NIGHT AT NATIVE DAUGHTERS

Monday was a gala night at the local lodge of Native Daughters for there was the initiation of Miss Florence Green into the Order, a miscellaneous shower of beautiful gifts for the bride to be Rose Basaglia, now Mrs. Garry Bertoli, and a banquet. It was all a decided success and a never-to-be-forgotten night will be treasured in the memories of all those present.

Miss Green's blonde beauty adds another fair type to the daughters of California's Order here in Sonoma and her mother likewise is one of the Native Daughters of our Golden State being affiliated with Alta Parlor of San Francisco.

The shower for the happy Miss Basaglia was a testimonial of the popularity she enjoys and the gifts were both handsome and practical.

White and yellow was the color scheme for the banquet table and amid the pretty decorations and with every variety of delicacies before them the Native Daughters enjoyed a jolly hour's feasting with toasts and song and repartee.

Mrs. Paul Robin is president of Sonoma's Parlor of Native Daughters.

St. Barbara's Guild meets at Mrs. G. H. Hotz's home on Tuesday, May 1st.

"OLD MAIDS' CLUB" HERE

Seventeen Women and Two Men In Cast of Play for Rebekahs.

"The Old Maids' Club" will be the attraction at the Clubhouse next Friday night. There are seventeen ladies and two men in the cast and they are of Petaluma's best talent. It is the funniest play ever staged and replete with local jokes and hits. The small admission of 25c includes the delight of dancing to the Pauli-Hansen orchestra after the play.

The Rebekahs expect a large crowd and will serve some of their famous "good eats" during the evening. Do not miss "The Old Maids" from Petaluma. They are a scream!

MAYROSE BUTTERS HERE SUNDAY

The clever ball players on the Mayrose Butter team are coming up to play Sonoma Sunday on the local diamond. Last year the score was 2-1 and the Sonoma's pitcher declares that the home boys can give them a drubbing this time and make them feel like the last rose of summer. It will no doubt be a snappy game. The Mayrose boys are a nice bunch and clever pill shooters so there should be a game worth coming a long ways to see. Following will be the line up:

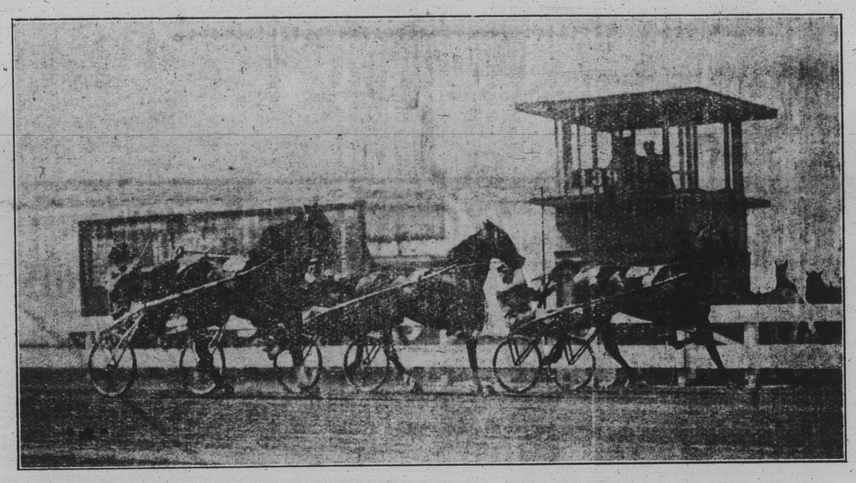
JUNE RODEO AND RACES WILL BE GREATEST EVER SEEN IN THIS PART OF THE STATE.



Events Attract Widespread Attention---The Kind of Sport to be Seen at Local Track June 14th, 15th, 16th

The celebration committee of the Sonoma Cut-off fiesta made no mistake when they put amusements in the hands of Joe Ryan, Ed. Lindley and the Millerick brothers for they have arranged a program that is attracting wide-spread attention, and will undoubtedly be the biggest drawing card ever offered in this section of California. Fifty or more cowboys and girls from various outfits will be here for the round up and on Friday and Saturday afternoons will put on a thrilling series of events at the local race track.

The events will include Roman races, bucking horse contests, bulldogging steers, cow-riding, pony express races and all sorts of trick riding and daring feats from the saddle. The racing program which will include running and driving races both Friday and Saturday will attract leading horsemen and owners from Sacramento, Dixon, Woodland, San Francisco, Petaluma and other racing centers. The big free-for-all Saturday will prove a great drawing card.

The classy Glenwood Mac who is to run at Dixon on May 1st will be a contender. Vera Hal will also be at the barrier. The generous purses offered will make the two days sport unusually attractive, $1000 in round figures being the amount put up for purses and prizes for the rodeo and races.

A brass band will play and the colors of the Sonoma Valley Driving Club will float over the judges stand June 15th and 16th and it is predicted that the biggest crowd ever seen in this valley will watch these thrilling events in honor of Sonoma Valley's new highway connection.

PRETTY GIRL BECOMES BRIDE

Nuptials of Miss Agnes Gericke and Charles Cooper Solemnized in Petaluma.

At a quiet but impressive ceremony last Saturday night in Petaluma, Miss Agnes Gericke the pretty young daughter of Otto Gericke, and Charles Cooper of Bloomfield were united in marriage by Rev. Father Kiely. Miss Gericke was a popular favorite in Sonoma Valley during her long residence here where she went to school and was a talented student at the Presentation Convent. Of late she has resided near Sebastopol with her parents who removed there and are highly respected residents of the Analy district.

Mr. Cooper who has won this charming girl for his bride is a resident of Bloomfield where the young couple will reside.

Mrs. Felice Rovai entertained a number of friends and relatives from San Francisco in honor of her birthday last Sunday. She has recently purchased a new automobile and it is the source of much enjoyment to the family.

Mrs. N. Heggie and Mrs. Rovai were hostesses at the St. Francis Ladies Auxiliary meeting at the Convent Thursday. A very pleasant afternoon was enjoyed.

F. E. Nichols will give a fancy dress ball at the Hotel Chauvet, May 26th.

Mr. and Mrs. Garry Bertoli have been registered at the Argonaut Hotel, San Francisco.

Mr. and Mrs. Robert LaTorres, who were recently married, spent Sunday with local relatives.

WHO WILL BE JUNE QUEEN?

The contest for queen of the June Celebration benefit Friday, May 11, many of our popular and pretty girls have been entered in the race. It will indeed be an honor to preside over the biggest fiesta ever held in the "Valley of the moon" and the friends of all the young ladies are busy in their behalf. Votes are on sale at all the stores and are 5c each. The Womans Club gives a ball for the Celebration benefit next Friday night and with every ticket 500 votes will be given away free. These may be cast for your favorite and the progress of the contest will be announced at 11 p. m. the night of the dance. Following are the nominations so far:

Gertrude Breitenbach	100
Mary Springer	100
Eleanor Kehoe	100
Nancy Bates	100
Henrietta Weber	100
Anita Gassner	100
Veronica Hilton	100
Norma Hansen, El Verano	100
Aleta Franquelin El Verano	100
Mildred Ranker Glen Ellen	100

ON THE SICK LIST

Frank Rhode who has been suffering from a case of blood poisoning, is now out of all danger.

Theo. Pierson of Vineburg is convalescent after a severe attack of gastiritis.

George Carpenter, the aged veteran is very low and his daughter has been summoned from Suisun.

Mrs. Thierkoff of Glen Ellen, one of the pioneers of that section has been quite sick again.

Mrs. Hoover who lost her little one at birth and has been in a critical condition since Thursday, is reported improved.

These cases are all under the care of Dr. Gobar who called Dr. Hennessey from Napa in consultation in the Hoover case and also for Mrs. Barberin.

Mr. Steckmeyer was home Sunday.

OLD MARINER CROSSES BAR.

Capt. J. J. Stofen Passes to Great Beyond. Buried Monday.

Capt. J. J. Stofen, one of the two old time mariner brothers, Captain Jack and Captain Peter N. Stofen, the latter having passed away some years ago, died last Saturday in Alameda. He was aged 82 years and had been a noted figure about the waterfront for many years where his heroic services during the San Francisco fire in 1906, when he piloted a government tug to fight the flames, won him the undying gratitude of the people of that city.

In the early days the Stofen brothers ran a line of boats between the Embarcadero and San Francisco and in the fifties did a large freight business, their sloop being very popular. Capt. Jack Stofen after leaving the valley was for many years Captain of one of the Alameda boats and was a popular and efficient officer. Sometime ago he retired and at the time of his death was in very comfortabe circumstances.

The funeral which was attended by Mrs. P. N. Stofen of this place was held Monday in San Francisco under the auspices of the Masonic Lodge. Deceased leaves a widow to mourn his passing.

Deputy Sheriff Armand Casassa swore to a complaint before Judge Small this week charging Fred. Miller of Glen Ellen with assault. Miller is alleged to have driven the deputy off with a gun when he tried to levy an attachment.

Mrs. Hanger and Mrs. Hunter entertain the Ladies Aid of the Congregational Church on the annual meeting day next month.

Mrs. Burmeister spent Thursday in Oakland.

Traffic via Black Point Bridge to Begin June 1

State Highway Commissioner Writes to this Effect

It has been officially announced by the State Highway Commission and by Engineer Clark that the Black Point $90,000 bascule bridge spanning Petaluma river and connecting up Sonoma, Marin and Napa counties with Sacramento and vicinity will open to traffic on June 1st. This definate information came in answer to urgent inquiries from the Celebration Committee, Mr. Spencer's letter to Highway Commissioner Wideemann having brought the following courteous reply:

Mr. Z. T. Spencer,
Chairman Sonoma Cut-off Celebration Committee, Sonoma Calif.
My dear Mr. Spencer:-

Referring to your letter of April 11th in which I am informed of the plans of your community in connection with a celebration over the comple tion of the Black Point Cut-off, and in which you inquire as what the road conditions will be at the time you have decided upon for your celebration, I am pleased to enclose a letter just received from Mr. W. Lewis Clark, Division Engineer, and which, I trust answers your questions to your satisfaction.

May I suggst that if you desire further information in this regard that you correspond with Mr. Clark directly. His address is W. Lewis Clark, Division Engineer, California Highway Commission, Rialto Bldg., San Francisco.

May I also request that you advise Mrs. C. G. Murphy of your publicity committee and Mr. Frank S. Sprague also of Sonoma of the contents of Mr. Clark's letter, they both having been kind enough to make inquiries similar to your own.

Hoping to see you during the course of your festivities, I am,

Sincerely yours,
W. J. Widenmann,
Commissioner.

Following is the letter from Mr. Clark:

Mr. Henry J. Widenmann,
Commissioner,
Vallejo, Cal.
Dear Sir:

On my return from outside work I find your letter of April 14th, enclosing a copy of a letter which you have received from the "Chairman of the Sonoma Cut-Off Celebration Committee."

You ask for the information which they request, viz: at what time the Bascule Bridge and the road on either side will be in condition for use. The road will be in first-class shape and the Bascule Bridge and its connections will be completed so that travel may go thereon by June 1st.

Yours very truly,
W. Lewis Clark, Division Engineer.

Dr. A. M. Thomson who as president of the Chamber of Commerce had much to do with the preliminary work in boosting the big bridge campaign, called at Engineer Clark's office in the Rialto building San Francisco last Saturday and had a very satisfactory interview with Mr. Clark. The engineer explained the delay on the road work and told how the drained strata upon which some of the road is built would not premit it being properly rolled until recently and guaranteed that now it would be fast put in shape and thrown open June 1st.

The Highway Commissioners and Civil Engineers will be invited to participate in the celebration ceremonies here June 14, 15, 16.

The county taxes will become delinquent at 5 o'clock next Monday evening.

Valley of the Moon Chapter Order of Eastern Star will entertain the chapters from Santa Rosa and Napa next Thursday evening. After the regular work of the Order there will be an "At Home" in the Womans Clubhouse where there will be a banquet and program numbers. Mrs. Gale and her efficient assistants will no doubt make this another brilliant social success in the history of the local chapter.

Mrs. Farrell proprietor of the "Oaks" has returned and will reopen her popular resort for the season.

Miss Marie Clewe graduated as nurse from St. Luke's hospital last week.

Miss Myrtle Hardy has been enjoying a visit in San Francisco.

RESISTS OFFICERS AND ARREST FOLLOW

Hunting on enclosed property without the owners consent caused a warrant to be issued by H. G. Sinclair of the Lakeville ranch of A. W. Foster for the arrest of Owen Williams and Ernest Lippert of San Francisco. When Deputy Sheriff Carstensen went to arrest them, Williams resisted and threatened him so it is alleged. Later at Reclamation they both gave battle to Carstensen and to Jack Murray whereupon another charge was filed against them.

They are to have a preliminary examination before Judge Small.

W. D. Foley has written that he is off for the Atlantic Coast on the U. S. S. Fredericks via Panama canal. He is chief engineer and machinist.

"The Flying Needles" will meet at the home of Mrs. Simmons on May 2nd.

Waste No Food

"For partial relief, every individual and community should consider earnestly the matter of food conservation and the limitation of waste. As a Nation we seem to have disdain of economizing. In many homes there is a strong feeling that it is "only decent" to provide more food than will be eaten and that it is demeaning to reckon closely. Experts of the Department of Agriculture report to me that the dietary studies made by them point to an annual food waste of about $700,000,000. Of course, the waste in families of very limited means is slight, but in the families of moderate and ample means the waste is considerable. Even if the estimate was reduced by half, the waste would be enormous.

"The food waste in the household, the experts assert, results in large measure from bad preparation and bad cooking, from improper care and handling , and, in well-to-do families, from serving an undue number of courses and an over-abundant supply and failing to save and utilize the food not consumed. As an instance of improper handling, it is discovered that in the preparation of potatoes 20 per cent of the edible portion in many cases is discarded."—SECRETARY of AGRICULTURE, March 3, 1917.

Food is Wasted: (a) When we eat more food than our bodies need for growth and repair and to supply energy for our work. Overeating tends to poor health and fat instead of brawn, makes us sluggish and indolent instead of energetic and resourceful. Eat enough and no more. Eat for physical and mental efficiency.

(b) When food is burned or spoiled in cooking. Improperly prepared or poorly seasoned food will be left on the table and probably wasted. Buy food wisely and then prepare it carefully.

(c) When too much food is prepared for a meal. Unserved portions are apt to be thrown into the garbage pail or allowed to spoil. Many housekeepers do not know how to use left-over foods to make appetizing dishes.

(d) When too much food is served at a meal. Uneaten portions are left on the plate and later thrown into the garbage pail. Learn to know the needs of your family, and serve each no more than you think he will want.

(e) When anything edible is allowed to go to the garbage pail or allowed to spoil for lack of proper handling.

(f) When food is handled carelessly. Buy clean food, keep it clean until used, and be neat in all details of cooking and serving. This lessens waste and is a valuable health measure as well.

Feed Your own Family First. Don't feed high priced human food to hogs or chickens.

Don't send valuable food to the incinerator or the fertilizer heap.

Don't pour into the sewer nourishing food in the shape of milk, skim milk, sweet or sour, soup gravy, or melted fat, or water in which cereals or vegetables have been cooked.

Keep good food out of the garbage pail and kitchen sink.

Demonstrate thrift in your home. Make saving rather than spending, your social standard.

Our Agricultural Club

Sonoma High School has an Agricultural Club of which it is justly proud and the pride came into full being with the food situation looming up as the most important phase of the war.

The local Agricultural Club with its experience and enthusiasm will be a valuable factor in solving the problem of locally providing for the exigency of food shortage and there is no doubt but that the prize corn whose wonderful yield opened the eyes of experienced farmers will prove to be good seed not only for bringing forth bigger and better crops but for the sprouting of seeds of wisdom in scoffers and the awakening of dormant energy among the sturdy but sluggish youth who hitherto has regarded school farming as book wormy and lacking "class." The boy who is busy keeping tab on the weight his pig is taking on may not be so interesting to some as the foxtrotting, fudge-eating student but according to President Wilson's idea he is a far better American who helps to conserve waste and create wealth than the "slacker." Brain and brawn go hand in hand in scientific agricultural work and it is a credit to Sonoma Valley that they've been working in union for some years past and now in the present neccessity have an established working value.

The Power In Advertising

Advertising day is being observed all over the country and it's importance cannot be over estimated for advertising is the motive power behind every business in the world. It is receiving greater recognition than ever and the day set apart for it is but a tribute to the great influence it exerts and the marked service it performs in the conduct of modern business. The big corporations with their immense advertising appropriations make use of this service as does the small business man of shrewd ambition and ability. Consciously and unconsciously, directly and indirectly, it is the determing factor in the minds of the buying public. The student of human nature which every successful business man must be, regards advertising as his most efficient aid and business builder. A firm must be a consistent advertiser not only to build up business, but to hold trade, for competition is keen and thrives by the stimulus which advertising affords. The patent medicine which persists in obtruding itself, the coffee we are not permitted to forget, the overalls with the bulldog determination to harg on in the public's mind, the brand of tobacco which continues to write its own puffs year in and year out, prove the wisdom of persistence. Acknowledge the effect of advertising in your own mind. Oranges have become synonymus with California, raisins with Fresno, prunes with Santa Clara. In the latter instance Santa Clara has created a demand for its prunes and has given the Santa Clara prune a greater value than any other prune in the state. Not because the prune is so much better but because it is so much better known has it the greater value and brings more in the market. Thus the cost of advertising has come back ten fold and made the Santa Clara orchardist far more prosperous than the orchardist of Sonoma Valley for instance where prunes grow just as sweet but are not dipped in sufficient publicity.

The local merchant who fails to use his own home town paper to advertise his wares is leaving an opening for other firms to exploit the very field he is neglecting. If there are a thousand people to be informed and they are consumers of various commodities they are worth while going after for business. They may know a certain firm exists and they may find it convenient to be on its books and get credit privilege but the buyer with cash, in these days of countless automobiles, will be attracted by the magnet of advertising and go where the wide awake merchant directs him. Where money is not kept at home, it is largely due to the local business man being asleep and letting someone else walk away with his trade. It pays to advertise and it pays to interest yourself in advertising. If "advertising day" advertises advertising it will have done a true service on the calendar and perhaps be the means of opening the gate of opportunity to some excellent but semi-successful business men.

Hamil Wagnon and Dewey Smith Are To Enlist Under Stars and Stripes

Hamil Wagnon, a student at the Chico Normal School and only son of Postmaster and Mrs. John Wagnon of this place has written that he is receiving aviation instruction from one of the Corps of the regular Army who is instructing the young men preparatory to enlisting them in the service of Uncle Sam. Hamil is very enthusiastic and expects to enlist in June.

Dewey Smith, son of Mr. and Mrs. C. W. Smith and an employee of the Hawaiian Sugar Company at Crockett has enlisted and reports for duty next Monday. The eighteen year old patriot, with the name of our great naval hero, the late Admiral George Dewey, is proud to be the first to volunteer from the big sugar concern and has been assured by Mr. Rolph of the Company that his position will be open to him, or even a better one, when he is mustered out.

PANCRAZI'S OPENING BIG SUCCESS

Auditorium Crowded With Dancers And All Enjoy Themselves.

Julius Pancrazi's friends came from far and wide last Saturday night to attend the second grand opening of the Pancrazi auditorium at Glen Ellen and they were well repaid for coming.

The large dance hall had been transformed into a beautiful leafy bower and beneath the green canopy on the fine dancing surface the lovers of Terpsichore made merry until the wee small hours. The music by the Perkins orchestra was excellent and they were most generous with the encores.

Milton Sobbe was the efficient floor manager. At midnight a delicious supper was served at the popular Roma hotel and Mrs. Pancrazi and her daughter, Marion, proved excellent caterers.

Mrs. E. . Dodge of San Francisco and Mrs. Irwin of Madison, Nebraska, are guests of Mrs. T. D. Hall at the beautiful country home south of town. This is Mrs. Irwin's first visit to the "valley of the moon."

The will of the late Capt. Norwood was admitted to probate Monday and a family allowance of $100 per month granted to daughter of deceased.

Henry Weber Sr. had a successful operation for cataract last week in San Francisco.

PETER YENNI SUFFERS STROKE

Peter Yenni has been lying quite ill at his home on First St. West due to a stroke of apoplexy which he suffered sometime Saturday night.

When A. Baccala and a brother Druid were returning from lodge they dropped into Yenni's place but not finding the usually genial proprietor called to him. They heard only a groan in answer and after a hurried search found the prostrate form of Mr. Yenni lying in the hallway where he had been stricken while about to summon help from his family up stairs. The alarm was given and the unfortunate man was taken to his room and Dr. Thomson summoned. The physician pronounced it a case of apoplexy, since which time the patient has rallied, although he is still in a critical state.

COUNTY FARM BUREAU IS DESIRED

In response to a wide spread sentiment within Sonoma County favorable to the County farm Adviser and Bureau, a petition has been started to secure signers who will pledge $1 each yearly for the institution of the scientific agricultural work here.

Napa County has found the plan most successful and the presence of the expert most valuable. If you are interested and want to aid the plan so that it can be presented to the Supervisor by May 7th, send in your name and it will be added to the following pledge:

April, 1917

We, the undersigned pledge ourselves to the payment of one ($1.00) dollar each annually, for the purpose of instituting and maintaining a local Farm Bureau. The same to be operated in conjunction with the proposed "County Farm Advisor." In case the requisite number of signers is not obtained to this petition, the pledge shall be of no value.

BRIDGE TENDERS ARE WANTED

The variety of positions in the state service is well illustrated by the following list of examinations for the month of May, 1917, recently announced by the state civil service commission.

May 5, mechanical engineering draftsman, grade 1—Candidates for this examination will be examined in mathematics, drafting and experience The salary range is from $480 to $1200 per annum. Candidates must be between the ages of 18 and 60.

May 5, bridge tender, California highway commission—Candidates for this examination must be able to operate and maintain an electrically operated bascule bridge of 150-foot span. There are two positions in the state service, both at Black Point, on Petaluma creek. The salaries are $100 and $90 a month, and a cottage will be supplied free for the use of each of the tenders. Candidates must be between the ages of 21 and 50. There will be a three-hour written test, and an oral examination to be held either at San Francisco or the bridge site. Applications must be filed on or before 12 m., April 30, 1917.

Unless otherwise specified above, these examinations are opn to all American citizens residing in California who are between the ages of 21 and 60 on the date announced for the respective examinations.

Completed applications must be filed at least seven days prior to the announced dates for the respective examinations, unless otherwise specified above.

Application blanks and further information regarding these examinations may be secured from the state civil service commission, Forum building, Sacramento.

SAN FRANCISCO, April 21—The German Schuetzen Verein of San Francisco has unanimously adopted resolutions pledging loyalty to the Stars and Stripes "under whose beneficient protection we have enjoyed uninterrupted prosperity for nearly sixty years." A copy was sent to Governor W. D. Stephens.

Mrs. Julius Poppe went to San Francisco the fore part of the week to consult a specialist in regard to her knee which has given her much trouble of late and necessitated her being on crutches.

Mrs. Mangels and little daughter returned to the Fred Hansen home Sunday evening. The condition of Mrs. Terry, her mother, remains unchanged.

Mrs. Lefurgey of San Francisco was up last Sunday visiting her folks, the DePlace family, southeast of town.

ANSWER CALL OF RED CROSS

Earnest Workers Enlist Themselves in Great Work to be Taken Up Here.

Sonoma is to have her own Red Cross Auxiliary and already the roster has been signed by many of the prominent men and women of the valley, all eager to join in the splendid humanitarian work.

The preliminary meeting was held at the Womans Clubhouse Monday evening and there was enthusiastic response on the part of those who attended to sign the roll and be regularly listed in the Red Cross Society of America. Mrs. F. T. Duhring spoke beautifully of the organization's great work in alleviating the suffering of the world since its founding in Switzerland in 1858 and told how it first demonstrated its efficiency at the time of the Johnstown flood, and more recently during the San Francisco earthquake, when $9,000,000 poured into the stricken city to do relief work. Ohers present told of the magnificent service of Red Cross workers on the battle field where suffering was alleviated and sanitation has been so successfully introduced. Rev. Mr. Rimer told of war conditions in Europe, of the large enlistment from his own town in Scotland and the fragemtary handful of these soldiers after the devastation of battle.

It was pointed out that in this the greatest war of the age is work for everyone, that comfort care and relief may be brought to those stricken down on the field of action and help be afforded their orphaned and widowed and dependents.

Robt. Poppe acted as chairman pro tem and a nominating committee composed of Mesdames F. Duhring, John Wagnon and C. Burlingame appointed. The publicity will be in the hands of Mrs. Ralph Hotz, Mrs. H. Waltz and Mrs. C. Hatton. A big meeting of the local organization is scheduled for tonight and if you have the interest of humanity at heart you will not fail to be present for every man and woman in Sonoma Valley is needed to further this grand work and there is practical work to be undertaken at once.

CLUB REPORT

Thirty-five members and all of the officers of the Womans Club gathered together last Friday at the pretty home of the Club to honor the organization's capable president, Mrs. Dora Stofen. The reception was preceded by a business meeting.

After the reports of the committees, the usual amount of correspondence was read. Among the latter was a cordial invitation from the Glen Ellen Womans Club inviting Sonoma's clubwomen to a tea at "Wildwood" on May 2nd for the benefit of the Jack London memorial library. Mrs. F. T. Duhring reported on the program for the year and it gives promise of being of unusual interest.

It was decided to give the use of the Clubhouse to the Red Cross for any meetings or purposes in the interest of the good work.

The matter of giving a luncheon in honor of Mayor Rolph was discussed and it was referred back to President Stofen who will take it up with the Program Committee of the June celebration.

After business had been dispensed with, the ladies adjourned to the assembly hall where there was an attractive program. Mrs. H. J. Wieker and Mrs. C. T. Ryland were hostesses. Miss Emilie Poppe played two Chaminade numbers and a serenade of Pierne. Miss Dawson sang very sweetly and Miss Mabel Ames, the clever English teacher at the Sonoma High School, recited with her usual charm some original verse. At the conclusion of the program, Mrs. Stofen acknowledged the compliment of the afternoon and spoke beautifully of her association with the Club and its members.

Refreshments rounded out this always interesting day on the club calendar.

A PETITION

Make our city
Spick and span
Clean it up
Clean as you can
For what is so
Rare as a day
In June
We want it all
To be in tune
Clean up the town
Do it soon
The crowd is coming
From far and wide
We cant afford
To let it slide
Take off your coat
And clean the weeds
There are many
Other needs
The old tin cans
Bury them deep
The rags and papers in a heap
Sell to the junk man
Or in a pyre
Let their filth
Go up in fire
Do not wait
For your neighbor there
Show him that you
Are a real bear
When it comes to getting busy
While he rides round in his tin lizzie
Let the dads on the City Board
A hay cutting contract
Shortly award
So the flowers and plants
Out in the park
Can lift their heads from
Out the dark
Theres many a pure gem serene
Blooming there all unseen
Fix up your fence
And paint your shed
And now the ideas in your head
We pause, to add nuf sed!

DANCE FOR CELEBRATION AT AGUA CALIENTE SPRINGS

The spacious hotel lobby of the Agua Caliente Springs was filled with a sociable crowd last Saturday night who came to enjoy the dance for the benefit of the Cut-off celebration. The evening was enjoyably spent and although the rain and several other affairs going on in the valley made the crowd smaller than it would have been otherwise, a neat sum was realized and the young folks who danced to the excellent music provided were loud in their praise of the good time. The pretty dining room with its indirect lighting system and large floor surface lent itself splendidly to the dancing.

MINSTREL SHOW TO BE REPEATED

The Minstrel Show and Cabaret as given in Sonoma will be repeated at the Hotel Chauvet, Glen Ellen, next Saturday night, May 5th, for the benefit of the London memorial fund. A dance will follow and a large crowd is looked forward to.

CATCH FLIES AND WIN MONEY

W. B. Causa, real estate man of Boyes Springs believes in swatting flies and mosquitoes, so in order to enlist the interest of our boys and girls in suppressing the pests he will give $5.00 in cash to the boy or girl who brings in the largest number of flies and mosquitoes (by weight) caught between May 1st and June 1st. The catches will be weighed up at McElney's drug store and the award given to the prize "swatter."

ROSE CARNIVAL NEXT MONTH

For the twenty-eighth time Santa Rosa invites all of California to its Rose Carnival. The dates this year are Thursday to Sunday May 10th to 13th, inclusive and a greater program of entertainment than ever before has been arranged, extending over the entire period of the Carnival. but this year different than ever before, the object of the Carnival is not strictly entertainment and enjoyment. The net proceeds go to the Red Cross and to the mess fund of the Santa Rosa militia company which is in Federal service.

The features of th Carnival include the crowning of the queen Thursday night, followed by the Coronation Ball in the Pavilion. Friday night there will be a patriotic juvenile chorus of several hundred voices singing from the court house steps in the open air.

Saturday morning will be the immense floral and children's parade. More floats have been entered this year than any previous year, and the number of decorated automobiles will be at least double the number entered in any other parade. Saturday afternoon at the race track will be the great field and track meet participated in by students of high schools in five counties. Sonoma High School will be represented, and many of the other students and parents and friends are planning to attend the carnival in connection with the track meet.

One of the biggest features of the entire Carnival will be held Sunday afternoon at 2 o'clock and it will pay everyone to stay over Saturday night to see the 100-mile Floral Classic, the automobile race meet which will be an annual feature in Santa Rosa under the sanction of the American Automobile Association, which controls all licensed racing. Ten drivers will speed around the track at a rate of at least a mile a minute.

Santa Rosa invites everyone to attend. The railroad has granted special round trip rates, the roads are good for autoists, and bands, amusements and excitement, all in a most worthy cause, will keep everyone busy every minute they are at the Carnival.

The 45 Counties with 1300 Sunday Schools, enrolling nearly 300,000 men women, boys and girls, will hold their meeting in Oakland, May 14 to 17. The Municipal Auditorium, the great Convention building, will be the place of meeting. The Adult Bible Class Banquet will be held at the First Congregational Church, Monday evening, May 14th. Mr. Pearce of Chicago will be the speaker of the evening. The different classes will sit in groups displaying their banners and giving their class yells. The thousand classes from different parts of the state will be represented.
